

Remus Memorial Horse Sanctuary unreservedly recommends Bradley Faulkner Ground Maintenance Ltd for all the maintenance work and fencing they have completed at Remus Sanctuary. A totally professional exercise from beginning to end, having to work around a busy work environment involving many large animals, the B.F. workforce were punctual, efficient and knowledgeable. Top class materials were used and the work was finished on time, we could not be more happy with the result. . Bradley Faulkner Ltd will definitely be our firm of choice in the future.
